

## Ashton Elementary School

### Expectations for Incoming Fifth Graders

*The following skills expectations for incoming 5th graders should be considered as minimum expectations. It is recommended that all students continue to reinforce academic skills during the summer before entering 5th grade, especially in the areas of reading, basic math facts, and writing skills.*

#### **Language Arts, Reading and Grammar**

- Learn about and be able to recognize the parts of a story. (Character, Setting, Plot)
- Continue emphasis on vocabulary development
- Develop the ability to apply reading skills to the content areas
- Implement effective study techniques for the purpose of comprehension and retention
- Expand spelling necessary for written communication
- Demonstrate the ability to use a variety of resource materials
- Use the writing process to construct a multi-paragraph theme including an introduction, body and conclusion.
- Carry out independent research including note-taking, outline, rough draft, and an edited, final copy
- Learn to use and apply spelling strategies (rules, patterns, and generalizations) when attempting correct spelling
- Practice writing narrative, descriptive, and explanatory paragraphs using complete sentences and correct punctuation
- Recognize, distinguish, and use the four types of sentences: Declarative, Exclamatory, Interrogative, and Imperative
- Develop a fundamental knowledge of the parts of speech including nouns, pronouns, adverbs, adjectives, prepositions, and verbs
- Demonstrate fluency and appropriate expression during oral presentations
- Demonstrate good listening skills and follow directions
- Engage in a variety of literature works including plays, fiction, non-fiction, and poetry
- Identify, explain, and use a variety of figurative language examples.

#### **Math**

- Demonstrate the multiplication and division of larger numbers (all basic facts should be memorized)
- Add, subtract, multiply, and divide fractions
- Add, subtract, multiply, and divide decimals
- Recognize place value and be able to round numbers to that place.
- Apply a variety of problem solving strategies
- Identify two and three dimensional shapes
- Find perimeter, area, and volume
- Plot points on a coordinate plane
- Interpret, select, and construct a graph given data
- Use correct order of operations within equations

#### **Homework**

Students in fifth grade should expect a daily required 45-60 minutes of homework. Some students may require more time based on work habits.

## Grades 3-6 High-Frequency Word Cards

1. a
2. about
3. after
4. again
5. all
6. also
7. always
8. am
9. an
10. and
11. another
12. any
13. are
14. around
15. as
16. ask
17. at
